Coventry Home Library Service

Are you housebound and unable to get to the library yourself?

Coventry Libraries and Information Services, in partnership with Age UK Coventry, run a home library service that delivers books and other materials to people who are unable to visit the library themselves.

- The service is free
- You can borrow books including large print and talking books as well as information
- You can reserve any book free of charge
- There is no reasonable limit to the number of books borrowed and delivered once a month.
