Improving Access to Psychological Therapies

## Who does IAPT support?

Anyone who is over 16 and registered with a GP in Coventry, Rugby or Warwickshire, who may be experiencing:

- Stress
- Low mood
- Anxiety
- OCD
- Panic
- Phobias

### Or

- Dealing with a difficult life event
- Living with a long term health condition

## How can IAPT help me?

- You will be able to talk about your concerns; this may be by telephone or in person
- You will be listened to without prejudice
- You will learn skills and strategies to help you make positive changes in your life

## The treatment you are offered may include the following:

- Psychological Education materials and courses
- Guided self-help, helping you manage your symptoms of anxiety, low mood or stress
- Individual Cognitive Behavioural Therapy (CBT) – face to face, or via telephone or Skype
- Counselling
- Books on prescription and recommended helpful reading

## How soon will I get help?

We will take your details and if IAPT is right for you, we will offer you an assessment to discuss what will be most helpful.

This first step will generally be a telephone appointment, so please let us know if this is a problem for you.

Your telephone appointment will be within 28 days of your first call to the service.

## Your local service

Our staff work across locality teams based in Coventry, Rugby and Warwickshire.

This means we can provide you with help close to where you live.

The service is run jointly by Coventry and Warwickshire Partnership NHS Trust and Coventry and Warwickshire MIND. All staff are trained in the use of psychological therapies.

## Additional sources of help
