February 2019

Dear Parent / Legal Guardian

School-based Immunisation and Vaccination Service

The Immunisation and Vaccination Service are due to be delivering your daughter's second dose HPV (Human Papilloma Virus) vaccine in school. If you consented to this course of 2 vaccinations, your daughter would have received her first HPV when she was in year 8 or within the last 6 months and is now due to receive the second dose of this vaccination.

For the date the Immunisation Team will be in School please visit website:

www.covwarkpt.nhs.uk and search: Our Services/Immunisation Service.

If any of your daughter's circumstances have changed since you signed the consent form for example if she has developed a new medical condition or allergy, or is now taking any newly-prescribed medicines, please contact the Immunisations team on the telephone number at the top of this letter so that we can discuss this with you.

If you did not consent to your daughter receiving these vaccines please ignore this letter.

If your daughter has not commenced the HPV programme and you would like her to receive these vaccinations, please contact the Immunisation Team on the telephone number at the top of this letter.

If you have any questions please do not hesitate to contact us. Further information on the HPV Vaccination programme can also be found at www.nhs.uk/hpv.

Yours faithfully

Coventry and Warwickshire Immunisation & Vaccination Service

Jagtar Singh - Chair
Simon Gilby - Chief Executive
