We provide help and services for lots of people

We want to change so we can help more people

*FT*

We want to become a Foundation Trust

We’ve published a consultation document

If you want us to, we can come and talk to you or your group about this

We hope you’ll support our application
Your views are important.

Tell us what you think.

Your key worker/named nurse will help you.

We’ll provide better information for people

We’ll be able to give people more of a say

We’ll set our own rules to help run our Trust
££ We’ll be able to put more money into care

We need lots of people to join as members

And we want people to become governors

We want lots of people to join us

We know some people suffer because of stigma

We hope our members will help reduce stigma
